

AGMA Foundation— St. Patrick's Day Silent Auction

Support your Foundation, and join the fun, by participating in the AGMA Foundation Silent Auction! As usual, the auction will be held on Friday evening, March 16th, during the AGMA/ABMA 2007 Annual Meeting. This year, let's celebrate St. Patty's Day a wee early by wearing green! For maximum fun, please consider participation as a donor and a bidder. Each year, AGMA members

contribute a variety of beautiful and intriguing auction items (art, jewelry, handicrafts, clocks, sports tickets, gourmet food, wine, time at vacation properties, etc;) and have a great time with the bidding. See our website (www.agmafoundation.org), and watch your mail and e-mail for details on how to donate items and for our Auction catalog. See you in Florida!

AGMA Foundation Annual Campaign—Thank You!

A big “Thank You” to all the Annual Campaign volunteers and contributors that made 2006 a record year—with pledges totaling over \$102,000! This generous support makes it possible for the Foundation to continue its work to advance gear science, standards and education. In 2007, look for more offerings of the popular Detailed Gear Design Seminar, a new Seminar on

Gearbox Failure, and the results of a new study on hypoid gear efficiency. Have an idea for an education program or a research project? Please let us know by calling our office at 703-684-0211 or via e-mail at foundation@agma.org. And, be sure to visit our website at www.agmafoundation.org for information and up-to-date news on your Foundation.
