

St. Patrick's Day Silent Auction Thank You for Your Support!

Green was definitely the theme at the AGMA Foundation St. Patrick's Day Silent Auction, held during the AGMA/ABMA Annual Meeting in Marco Island, Florida. Thanks to the generosity of AGMA members, the Auction featured an exciting and unique assortment of jewelry and accessories, sports tickets, vacation trips, art, gear clocks and gadgets, household goods, etc. The Foundation would also like to thank participants in the Golf and Tennis Tournament fundraisers. All told, the Auction, Golf and Tennis raised a total of \$25,637 — funds that will be used to advance gear research, standards and education.
