What Does Your Company Sell?

Please indicate all products that your company manufactures or sells. This information will be used to represent your business in the appropriate Membership Directory/Product Locator section(s) free of charge.

Loose Gears

- Bevel Gears – Spiral, Hypoid, Zerol
- Bevel Gears – Straight
- Circular Arc/Non-Involute Gears
- Double Helical/Herringbone Gears
- Face Gears
- Fine Pitch Gears
- Ground Gears
- Helical Gears
- Internal Gears
- Master Gears
- Planetary Gears
- Plastic Gears
- Powder Metal Gears
- Racks
- Spur Gears
- Worms & Worm Gears

Gear Boxes/Enclosed Drives

- Bevel (1 to 10kW) 1.34 – 13.4hp
- Bevel (Over 10kW) > 13.4hp
- Coaxial
- Electric Geared Motors
- Gear Units (Under 1kW)
- High Speed plv > 35m/sec (6890ft/min)
- Parallel Shaft (1 to 10kW) 1.34hp – 13.4hp
- Parallel Shaft (Over 10kW) > 13.4hp
- Planetary and Epicyclic Drives
- Variable Speed
- Worm (1 to 10kW) 1.34hp – 13.4hp
- Worm (Over 10kW) > 13.4hp

Related Products

- Balancing Systems
- Bearings

AGMA Committees & Councils

Members may participate in a variety of management and technical committees. Please indicate the business management councils and/or technical committees you would like to know more about. (Check all that apply.)

Business Management

- Education Council
- Financial Management Council
- Marketing Council
- Small Business Council
- Statistical Council
- Trade Show Advisory Council

Technical Development

- Aerospace Gearing Committee
- Bevel Gearing Committee
- Calibration Committee
- Computer Programming Committee
- Cutting Tools Committee
- Data Exchange Protocol Committee
- Enclosed Drives for Industrial Applications Committee
- Epicyclic Enclosed Drives (Planetary) Committee

Technical Development (continued)

- Fine-Pitch Gearing Committee
- Flexible Couplings Committee
- Gear Accuracy Committee
- Helical Enclosed Drives High Speed Units Committee
- Helical Enclosed Drives Marine Units Committee
- Helical Gear Rating Committee
- Lubrication Committee
- Metallurgy and Materials Committee
- Mill Gearing Committee
- Nomenclature Committee
- Plastics Gearing Committee
- Powder Metallurgy Gearing Committee
- Sound & Vibration Committee
- Vehicle Gearing Committee
- Wormgearing Committee
- Wind Turbine Gear Committee

If you would like more information on particular technical committees, please e-mail fischer@agma.org. For more information on management committees, e-mail blackford@agma.org.

Method of Payment

PLEASE RETURN THIS FORM AND PAYMENT IN U.S. FUNDS TO THE FOLLOWING ADDRESS:

American Gear Manufacturers Association
Attn: Vice President, Membership
500 Montgomery Street, Suite 350, Alexandria, VA 22314-1581

The proceeds from membership dues support critical educational, technical and government affairs activities that benefit all members. Dues payments may be deductible as a business expense.

Enclosed is my check, drawn on a U.S. bank made payable to American Gear Manufacturers Association.

Charge: American Express Visa Master Card Discover

Name on Credit Card(please print): _____

Credit Card Number: _____ Expiration Date: _____

Signature of Card Holder: _____

Wire Transfer

Please contact AGMA to receive instructions for submitting payment via wire transfer.

PREVIOUS FISCAL YEAR ANNUAL SALES VOLUME \$ _____ U.S. dollars

Please see "Membership Categories" on next page for instructions on calculating dues.

TOTAL AMOUNT DUE: \$ _____

I affirm that the information submitted is accurate.

Name (please print): _____

Title: _____

Signature: _____

Date: _____

Dues Schedule

Application for membership must be submitted with payment of one year's dues. AGMA membership is for a calendar year (January–December). If applicable, dues for the second year will be prorated. All dues, after the first year, are payable by January 31.

Membership Categories

North American Gear Manufacturer (Company Membership)

Companies that manufacture gears, gear products, and/or flexible couplings for sale as such, or as component parts of end-use products. Companies must have a bona fide gear or flexible couplings manufacturing facility located in the United States, Canada, or Mexico. Dues are based on the total annual sales volume for the previous fiscal year. Total annual sales volume is defined as the total worldwide sales (in U.S. dollars) of all gears, gear products, and flexible couplings whether sold as such, included in end-use products or as replacement parts.

Minimum dues: \$1,500 plus \$.410/\$1,000 on sales over \$1 million

Maximum dues: \$15,850

International Gear Manufacturer (Associate Membership)

Companies manufacturing gears, gear products, and/or flexible couplings that do not have a manufacturing facility in the US, Canada, or Mexico. Dues are based on total worldwide sales of gear, gear products, and/or flexible couplings.

Minimum dues: \$1,500 plus \$.410/\$1,000 on sales over \$1 million

Maximum dues: \$13,390

End User (Associate Membership)

Companies that do not manufacture any gears, but use gears, gear products, and/or flexible couplings as component parts of end-use products.

Dues: \$2,000

Supplier to the Industry (Associate Membership)

Companies manufacturing and/or selling machinery, raw materials, or services (including inspection, testing, consulting, and sales representation). Dues are based on total worldwide sales attributable to the gear production industry.

Minimum dues: \$2,500 plus \$.410/\$1,000 of volume in excess of \$1 million

Maximum dues: \$9,265

Individual Technical Consultant

Individual Technical Membership is restricted to consultants to the gear industry. The individual must be engaged in full time consulting as a sole proprietor of his/her company. Individuals who are employed either full-time or part-time by a company or corporation are not eligible for Individual Technical Membership.

Dues: \$750

Academic

AGMA has special Academic Membership for educational institutions. Teachers of Engineering or Department Heads may apply for membership. Applicants should submit a letter from the applicant's superior, on university letterhead, stating that the applicant is involved in mechanical power transmission education and, in his opinion, the applicant is eligible for membership in the American Gear Manufacturers Association. Students are not eligible for membership in AGMA.

Dues: \$50
