

Install AGMA's Gear Rating Suite 3.0 DEMO

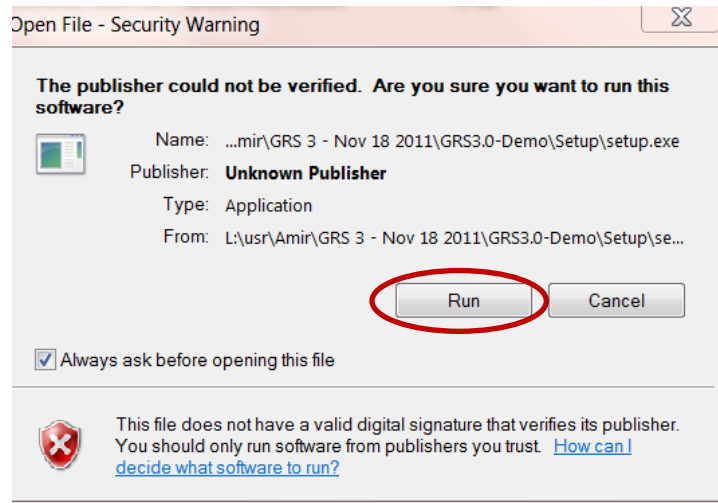

1. Download the .zip file to your computer
2. Right-click on the .zip file and then choose **Extract All**
3. Choose a location to extract the files to (your desktop or other location that you can easily find).
YOU MUST COMPLETE THIS STEP FOR INSTALLATION TO WORK
2. Open the **GRS3-Demo** Folder on your desktop (or wherever you chose to extract the files to)
3. You should see the following files

 Autorun	11/22/2011 2:23 PM	File folder
 Manual	11/22/2011 2:23 PM	File folder
 Setup	11/22/2011 2:23 PM	File folder
 Standards	11/22/2011 2:23 PM	File folder
 Autorun.exe	10/14/2011 11:14 ...	Application
 AUTORUN.INF	11/22/2011 2:19 PM	Setup Information

4. Double click on **Autorun.exe (look above for the file with AGMA logo next to it)**
5. Click Install AGMA Gear Rating Suite when menu appears

6. **Click Run** if this message appears again:

7. Click **Next**

8. **Click Next** again, or choose location where you would like install to go.

9. Click Next again to begin installation.

10. Click Allow if Windows prompts you

11. Click Finish

Your DEMO is now ready to use!
